### About Workshop

Faculty Development Programme on Case Method of Teaching in Finance will involve participants in the case method for teaching in finance through cases. Both VIPS-TC- Delhi School of Business and Faculty of Management, Social Sciences and Humanities (FMSH) at General Sir John Kotelawala Defence University use case method as a tool of participative learning. Prof. I. M. Pandey is the former faculty member of Indian Institute of Management (IIM) Ahmedabad – a premier advocate and user of case method in India - to lead case method of learning.

### Objectives

Case studies present a problem or a decision situation in a practical business context. The case method is an effective way of active, participative learning strategy in the post-graduate and undergraduate management programmes. Case method helps to develop problem solving and critical thinking skills in students. It also develops students' communication skills and working in teams. This workshop will focus on teaching through cases, case discussion strategy and management.
