## **University Vision**

To be a university nationally and internationally known for its unique ability to engage both undergraduate and graduate students in distinctive and interdisciplinary defence related higher education that best serves the tri-services, the state sector and society at large.

## **University Mission**

To ensure a high-quality, learner-centered educational experience through undergraduate, graduate, and professional programmes along with high quality research across many disciplines in the field of defence, in both residential and non-residential settings in the campus.

## **Faculty Mission**

To facilitate to accomplish the academic excellence in management, social sciences and humanities by offering lectures, research guidance and other learner centred educational activities to undergraduates, graduates and professionals in the field.

## Message from the Dean

As the Dean of the Faculty of Management, Social Sciences and Humanities, I warmly welcome the new batch of students, both officer cadets and day-scholars joining the degree programmes offered by the Department of Management and Finance of our Faculty.

While congratulating you all for being selected to join the prestigious Defence University for completing your dream of higher education, I earnestly request every one of you to spend the next couple of years of your life with a great deal of responsibility. Be determined to be fully dedicated to your role as a university student from the day one. Quickly learn the difference between school education and university education. Please remember that you will be reading for a degree at the university, and hence you need to spend more time for gathering knowledge through extra reading, discussions, projects and collective work with your colleagues.

The well-qualified lecturing panel of the Department will do their best to guide you through the curriculum, but it is your responsibility to grasp the necessary knowledge through hard and dedicated work. In this sense, it is also necessary for you to sharpen your English language and IT skills too. So, spend some extra time on them. Quickly identify your weaknesses and improve them as early as possible so that you will get good grades at exams.

Higher education is not just getting a degree certificate. You need to develop yourselves into responsible citizens or independent adults with intellectual skills to solve problems. In order to do so you must enhance your social skills. So, make use of diverse avenues and opportunities available at KDU for soft skill development such as sports, club activities, social and cultural events etc. as well whenever possible.

The current pandemic situation is a challenge for all of us. But KDU is resolute and determined to face the challenge, and as students of KDU, you too should be determined to find alternative paths to fulfill your requirements amidst challenges carefully taking all precautions to stay safe and healthy.

Finally, I wish all of you an enjoyable learning experience at KDU where you will develop yourselves into sound personalities with knowledge, skills and attitudes necessary to find lucrative employment and more so to become good citizens for the nation.

Kithsiri Amaratunga

Dean

Faculty of Management, Social Sciences and Humanities

## Message from the Head of the Department

The Department of Management and Finance at the Faculty of Management, Social Sciences and Humanities is one of the oldest departments at KDU. With over 15 full-time academics and a team of professional staff, we teach 400 undergraduate and 200 graduate students each year. Since its establishment, the department has secured itself an excellent reputation in classroom studies and research as well as in training in the fields of Logistics Management and Technical Sciences.

At the undergraduate level, we offer a very solid foundation in Logistics Management and Management and Technical Sciences. These courses in the department lead to BSc in Logistics Management and BSc in Management and Technical Sciences. BSc in Management and Technical Sciences is an innovative programme that combines the theoretical and empirical aspects of the studies in Management and Technical Sciences. BSc in Logistics Management programme provides specialist knowledge and develops competencies that students need to be able to carry out their future work in logistics well.

The department faculty is committed to providing the best learning environment possible and will support career success by ensuring that students learn the skills that are highly desired by employers. State-of-the-art facilities in the department will help to prepare the students to face complex management issues in the globally competitive and diverse business world and strive for excellence in all aspects. The department maintains a positive atmosphere between the students and the academic staff. The academic staff of the department has a strong commitment to producing high-quality research which influences the academic community and the industry. Whilst being an internationally renowned centre within its fields, the department is intensely engaged in maintaining a high level of excellence in teaching and research.

The students who are ambitious and enthusiastic about their future choose the Department of Management and Finance.

Dr. Wasantha Premaratne

Head – Department of Management and Finance

## **The University**

General Sir John Kotelawala Defence University (KDU) was initially established as the “General Sir John Kotelawala Defence Academy” by the Parliamentary Act No 68 of 1981 and subsequently elevated to University status by the Amendment Act No 27 of 1988. KDU is located at the Kandawala Estate in Ratmalana, which was donated by the late General Sir John Kotelawala. The faculties at KDU include the Defence and Strategic studies, Law, Management, Social Sciences and Humanities, Engineering, Faculty of Medicine, Allied Health Sciences and Graduate Studies. Currently, students entering to the Faculty of Medicine are enrolled as officer cadets as well as private foreign students. All the other faculties are open for defence and civil citizens as well as foreign students.

## **Faculty of Management Social Sciences & Humanities**

Faculty of Management, Social Sciences and Humanities has been established under the restructuring program of the General Sir John Kotelawala Defence University. It consists of three departments namely Department of Management and Finance, Department of Social Sciences and Department of Languages.

The Department of Management & Finance offers two degree programs namely BSc in Logistics Management, and BSc in Management & Technical Sciences. The Department of Social Sciences offers BSc in Social Sciences. Also there are more than 200 Undergraduates enrolled on the degree programmes offered by the faculty. Undergraduates study as officer cadets and day scholars in the same degree programme. The faculty has contributed a lot to brighten up the name of Sir John Kotelawala Defence University among other universities in the country.

## **Role and the Facilities of the Faculty of Management Social Sciences & Humanities**

The faculty renders support to smoothen the tensions in the student life by focusing on specific facets of the student life to successfully complete their undergraduate and post graduate qualifications. The unique facilities offered by the faculty are monitoring and reviewing the degree curricular to accomplish marketable competencies and venturing with highly

reputed professional bodies to strengthen the academic programmes. The faculty maintains a state-of-the-art language laboratory to enhance language competence of students. Also, students may obtain counselling and career guidance.

The faculty provides academic supervision and guidance for students to carry out their research work. Research culture within the faculty enables students to present their research papers at the KDU annual international conference.

The final semester of all the degree programmes are dedicated to inculcate the undergraduates transferable skills. During the final year of the respective degree program, officer cadets undergo their military training while day scholars undergo their internship in the final semester. Every degree programme includes 21 weeks internship period with the intention of enhancing day scholars with versatile management skills and enriching them with the attributes of potential graduate employability. Prior to the undergraduates' internship, the career guidance unit which is established under the faculty, assists students to find suitable organizations in the industrial setting for their internship. Further, during their internship the career unit continuously monitors the students' performance and progression.

In addition, the faculty has broadened the educational avenues for wider array of interested parties and professionals in many other private and public institutions. At present, the faculty is designing short courses, career courses and workshops for those institutions based on their demand.

Moreover, inter faculty alliance in the university directs support for the students and staff to attend on the research workshops organized by other faculties to be a part of a solid academic network.

The faculty encourages and renders fullest support for undergraduates to engage in the extracurricular activities by directing them on inter university competitions, competitions organize by professional bodies (ex: CILT Young professionals' Challenge). Furthermore, every student gets opportunities to pursue his or her talents in sports, photography, environmental consideration, community leadership and philanthropy. The Department of Languages under the faculty organizes an especial series of events for students to be competent in language in collaboration with Gavel and Toastmasters club.

## **The Department of Management & Finance**

The Department of Management and Finance, formulated under the Faculty of Management, Social Sciences and Humanities at Sir John Kotelawala Defence University has initiated several activities in leading and management, earning its' reputation by supporting to the growth of the current status of modern, international, green university. The current strength of the student numbers is growing with the potential of delivering upcoming diversified streams.

## **BSc in Logistics Management Degree Programme**

### **Aim**

To develop a sound academic background in undergraduates to build confidence in resource utilization and interpersonal relations in a workplace by incorporating different aspects of the logistics field.

### **Structure of the Programme**

At the establishment phase of this degree, it was especially designed for military students. This degree paves the path for cadets to join executive branches as officers once they have completed their degree programme. At present this degree is modified with separate modules for day scholars to groom their competencies to serve the industry as professionals in the field. The technical modules help them to improve working skills in technical aspects. The day scholars can gain management skills and focus on general management and operations management as per their wish to pursue their learning and career prospects.

## **Academic Procedures and Regulations**

### **The Course Units System**

#### **GPA Course Units**

GPA Course Units are those Course Units that have GPA credits. Such Course Units are considered for the calculation of Semester Grade Point Average (SGPA), Yearly Grade Point Average (YGPA) and Final Grade Point average (FGPA).

#### **NGPA Course Units**

NGPA Course Units are those Course Units that have Non-Grade Point Average (NGPA) credits. Such Course Units are not considered for the calculation of SGPA, YGPA and FGPA.

#### **MGPA Course Units**

MGPA Course Units are those Course Units that have Military Grade Point Average (MGPA) credits. Such Course Units are considered for the calculation of SGPA, YGPA and FGPA.

## **Grades and Grade Point Values of Course Units**

Student performance is graded on a 12-point scale ranging from A+ to E as depicted below.

<b>Marks</b>	<b>Grade</b>	<b>GPV</b>
85 – 100	A+	4.20
75 – 84	A	4.00
70 – 74	A-	3.70
65 – 69	B+	3.30
60 – 64	B	3.00
55 – 59	B-	2.70
50 – 54	C+	2.30
45 – 49	C	2.00
40 – 44	C-	1.70

35 – 39	D+	1.30
30 – 34	D	1.00
00 – 29	E	0.00

Incomplete examination results will be denoted by the following abbreviations.

IA- Incomplete Assessments

IE- Incomplete Examination

IB- Incomplete both

AB – Absent for a course unit

Ex- Excused on a valid reason

## Grade Point Average (GPA)

The GPA is the credit weighted average of the grade points of value of all Course Units except NGPA Course Units taken in the degree programme. It is calculated for each semester (SGPA), for each year (YGPA) and for the entire degree programme (FGPA).

Index	Meaning	Purpose
SGPA	Cumulative GPA for a semester	To ascertain whether a student has or has not completed a particular semester
YGPA	Cumulative GPA for a year	To Ascertain whether a student can proceed to the following year without being relegated
FGPA	Cumulative GPA for a year entire period of a degree programme	To ascertain the overall performance of a student in the degree programme, i.e. to determine a Pass, a 2 <sup>nd</sup> Lower, a 2 <sup>nd</sup> Upper or a 1 <sup>st</sup> Class

The GPA is calculated as follows.

$$GPA = \frac{\sum X_i Y_i}{\sum Y_i}$$

Where  $X_i$  = Grade Point Value of the  $i^{\text{th}}$  Course Unit

$Y_i$  = Number of credits of the  $i^{\text{th}}$  Course Unit

### Calculating Semester Grade Point Average (SGPA)

$$SGPA = \frac{\sum \text{Grade Point scored for } i^{th} \text{ course unit} \times \text{Credit Value of the Course Unit}}{\text{Cumulative credit value of all GPA modules of the semester}}$$

The following is an example of the process of calculation of SGPA (Semester 1) of a Logistics Management student.

<i>Course unit Code</i>	<i>Unit title</i>	<i>Course Type</i>	<i>Letter Grade earned</i>	<i>Earned GPV</i>	<i>Credit value</i>	<i>Earned GPV*Credit value</i>
MG 1113	Principles of Management	GPA	A-	3.70	3	11.10
FN 1113	Financial Accounting	GPA	B	3.00	3	09.00
FN 1123	Economics	GPA	B	3.00	3	09.00
TM 1113	Introduction to Transportation Management	GPA	A+	4.20	3	12.60
SC 1113	Introduction to Supply Chain Management	GPA	B+	3.30	3	09.90
SC 1123	Business Mathematics	GPA	C	2.00	3	06.00
SC 1133	Principle of Marketing	GPA	D	1.00	3	03.00
LG 1111	English: Basic study skills (LM)	GPA	B+	3.30	1	03.30

IT 1172	Introduction to Information Communication Technology	GPA	B+	3.30	1	03.30
<b>TOTAL</b>					23	67.20

$$\text{SGPA} = \frac{\text{Total Credit Points earned}}{\text{Total No. of Credits}} = \frac{67.20}{23} = \mathbf{2.922}$$

### Calculating Yearly Grade Point Average (YGPA)

The Year GPA for a degree programme will be calculated for the fourth decimal place on the completion of two main semesters and the mid semester (if available) as follows

$$YGPA = \frac{\sum \text{Grade Point scored for } i^{\text{th}} \text{ course unit} \times \text{Credit Value of the Course Unit}}{\text{Cumulative credit value of all GPA modules of the Year}}$$

### Calculating Final Grade Point average (FGPA)

The Final GPA for a degree programme will be calculated for the fourth decimal place on the completion of all requirements for such programmes as follows:

$$FGPA = \frac{\sum \text{Grade Point scored for } i^{\text{th}} \text{ course unit} \times \text{Credit Value of the Course Unit}}{\text{Cumulative credit value of all GPA modules of the degree programme}}$$

## Criteria for Completing a Semester

### Passing a semester

A student shall satisfy the following minimum requirements for the purpose of completing (passing) a particular semester. He/she should:

1. Obtain a SGPA of 2.0 or above for the whole semester,

2. Obtain a 'C' grade or above for all Course Units. However, not more than one GPA Course Unit with a 'D+' or a 'C-' grade shall be permitted per semester provided the SGPA is 2.00 or above.
3. Military course units which comprise of MGPA and courses conducted in respective military academies will be subject to the By-laws of FDSS (Please refer to By-laws promulgated by the FDSS).

## **Discontinuing a Student**

### **Discontinuation from a Programme/s**

A student shall be deemed to have discontinued from a degree programme at the University under following conditions.

- a) When a student has been unable to complete the degree programme within six (6) years or twelve (12) consecutive semesters (the maximum period).
- b) If a student has been determined to be unfit to continue his/her studies at the University by a competent medical board recommended by the University on account of an illness and/or a disability that has occurred after the enlistment of such student to the University, he/she shall have to discontinue his/her degree programme at the University automatically without paying compensation.
- c) In the case of officer cadets and Commissioned Officers the regulations of the By-laws are subject to the By-laws of the FDSS.

## **The Military Training Programme**

The military training program is a compulsory component for all medical students who are officer cadets and is run parallel to the medical curriculum. This program is conducted by the Faculty of Defence and Strategic Studies and enables officer cadets to confidently assume the responsibilities of commissioned officers of the armed forces.

The Department of Defence and Strategic Studies is under the guidance of the Dean of Faculty of Defence and Strategic Studies who is assisted by Squadron Commanders in charge of each intake and Troop Commanders in charge of each troop. These officers with the assistance of the other rank instructors impart the essential military knowledge both in the classroom and on the field to the officer cadets. The main components of military training include joint staff duties, leadership studies, land warfare, maritime warfare, air warfare, physical training, drill, weapon training, field craft, map reading, service writing and other methods of instructions which are crucial for the profession of arms.

Furthermore, an integral aim of military training is to inculcate discipline amongst the officer cadets. Diverse programmes are conducted to produce highly disciplined officers with high standards of integrity and loyalty.

## **Additional academic related activities**

### **KDU Young Entrepreneurs**

This concept was developed with multiple objectives; motivate, evaluate and empower undergraduates with their creativity and innovation skills in business of undergraduates. For the first time ever in the history of KDU, undergraduates of intake 30 in Logistics Management and Management & Technical Sciences were given a group assignment to generate a new business idea and exhibit it in the event called “KDU Young Entrepreneurs”. The students’ efforts are evaluated by panel of judges who select the best business idea. Finally, students prepared a complete business plan based on the ideas exhibited.

## Field Visits

Field visits are organised for the modules where practical application is much needed. Annually students are taken to Sri Lanka Ports Authority (SLPA), Bandaranaike International Airport, warehouses and factories for the modules on Port Operations and Management, Terminal Planning and Operations, Inventory and Warehouse Management etc.

## Logistics Day

Logistics Day is an event organized by the final year students of the Department of Management and Finance under a relevant and timely theme for logistics management. It contains guest speeches, inter university quiz competition, photographic competition and student performance. It is a gathering for many professionals from industry, academia etc. The Department also launches the magazine called 'Logistics Times' in every logistics day.

## **Opportunities for Higher Studies for the LM Graduates**

BSc in Logistics Management degree programme will provide the undergraduate an insight into the theoretical and practical dimensions of organizations and management and the changing external environment in which they operate. By tracing the roots of the subjects in the management and putting that into the context of modern business and current organizations, the undergraduates will develop a deep understanding and appreciation of the complexity and diversity of management processes in the competitive environment.
